RE: Special Land Use Application Withdrawal
Tillman Infrastructure Site Number: 14591169
581 N. Wilcox Bridge Road
Grayling, MI 49738

Dear Mr. Stephan:

This is a formal request to withdraw the Special Land Use application for the site above per the request from Grayling Township. LCC Telecom Services serving as agent on behalf of Tillman Infrastructure will proceed with the Variance request prior to the Special Land Use process at the request of the township. It is my understanding that upon withdraw of the Special Land Use application all application fees will be refunded. I look forward to working with Grayling Township through the Variance process.

Sincerely,

Sheronica Chase
Zoning Administrator
LCC Telecom Services
